The most transformative workshop I have ever done... making the dolls has been a remarkable experience.
Michael Webb, Playgroup Coordinator, March 2007

It has been a wonderful few days. The sharing of these art and craft activities is great for mothers.

Carolyn Ripper, Community Midwife

The process of creating the dolls and other craft activities enabled us to feel safe and nurtured. It was fantastic to complete something and see the children play with it.
Judy Parker, Child and Family Health Nurse
